WELCOME LETTER

Welcome to East Winds Acupuncture; we look forward to working with you on your journey to health.

We are committed to helping you and will focus our efforts toward assuring you a pleasant experience as well as an excellent outcome. We feel that it is vital that you commit yourself to the “plan” that we recommend for you upon your first visit with us.

On that note we ask that you comply with the following cancellation policies.

- We reserve the right to charge you for appointments cancelled or broken without 24 hours advance notice, at full cost of treatment.
 - Appointment cancellations should be made 24 hours in advance of your scheduled appointment time. We understand emergencies do arise. We simply ask that you extend the courtesy to fellow patients, by letting us that you need to cancel. This will allow us to open your time slot for another patient as well as reschedule your appointment.
- Your care is important to us and we make every effort to accommodate your busy schedule. However, if you are more than 10 minutes late for an appointment, and it cannot be rescheduled the same day, you have the option of accepting a shortened acupuncture session, or paying for a missed appointment.

As of January 1st, 2015 we will require a credit card when scheduling all New Patient appointments. If you do not show for your appointment, your card will be charged 50% of the new patient fee which will be a total of \$67.50.

Our goal is to help you and many other patients experience the benefits of acupuncture and Oriental Medicine. We block off two hours for all new patients. If you no-show without giving 24 hours’ notice, that time is not available for another patient who may need an appointment. We know you understand.

Our goal is high quality, efficient care, and to accommodate all patients who would like to be seen by Dr. Diane.

Please sign this form and bring it with you completed health history forms. It is important that you fill ALL sections and pages of these forms so we don’t waste precious one on one time with Dr. Diane.

Thank you.

Sincerely;
Diane Cridennda L.Ac FABORM NCCAOM

CANCELLATION POLICY:

We reserve the right to charge you for appointments cancelled or broken without 24 hours advance notice.

If you are more than 10 minutes late for an appointment, and it can't be rescheduled the same day, you have the option of accepting a shortened acupuncture session, or paying for a missed appointment.

We allow a one-time grace with a GOOD reason.

PROFESSIONAL AND ETHICAL STANDARDS:

You, the patient are entitled to receive information regarding methods of therapy, techniques used and duration of therapy. As a patient you may seek a second opinion from another health care professional, and may terminate therapy at any time. In a professional relationship, sexual intimacy is not appropriate and should be reported to the division of regulations (address provided below)

The practice of acupuncture is regulated by the Department of Regulatory Agencies. Questions or complaints should be addressed to:

**Jenny Davis- Office of Acupuncture Licensing
1560 Broadway, Suite 1340, Denver, Colorado 80202-5140
303-894-7851 fax 303-894-7802**

We comply with all rules and regulations promulgated by the Department of Health and Environment, especially those related to proper sanitation of acupuncture offices. We use disposable needles only.

PATIENT POLICY:

We will recommend a treatment plan according to your specific needs. Some conditions require more treatments than others. In order for you to experience a successful course of treatment for your problems, it is important that you commit to and follow this treatment plan

TREATMENT:

Acupuncture has been explained to me as a treatment consisting of the insertion of needles through the skin at specific points on the surface of the body (small amounts of electrical current may be applied to the needles). The purpose of acupuncture has been explained as the alleviation of symptoms or disorders.

I understand that complications may result from an acupuncture treatment. Among these possible complications are: areas of anesthesia, fainting, weakness, nausea, hematoma, infection, pain and discomfort, pneumothroax, and aggravation of present symptoms. Being tired, hungry, or stressed can on occasion make the body more sensitive to the acupuncture treatment. Please tell your provider if you have any conditions that may inhibit blood clotting, such as hemophilia or Coumadin use. Please use caution when walking with bare feet in the treatment room.

Acupuncture, acupressure, Moxa, cupping therapy, and nutritional or herbal counseling are considered experimental procedures and are not considered a substitute for Western Medicine. Therapies and advice offered shall not be construed by the client to be a diagnosis of treatment of any disease or injury. We recommend that you consult your physician for any serious conditions and receive at least two medical opinions. It is your right and responsibility for your own body.

I further understand and agree to hold harmless, to indemnify and protect against court action the individual therapist as well as the management and owners of this of this clinic, in the event of accidental injury on these premises.

Email has been helpful for many of our patients as a way to check in for quick answers to simple questions and to have brief consultations between visits. However, when significant time is involved in evaluating and responding to these consultation requests, we now charge \$10.00 for every 5 min. increment. This allows us to continue offering email as an option for patient communication. This fee applies only to patients' health related questions between office visits. There is no charge for brief questions with simple answers (such as yes, no, etc.), for supplement/herb orders or other administrative tasks. Thanks for understanding.
